Pathway Description

Students will be part of a long tradition of excellence here at North Smithfield. Our ensembles have received superior rating at festivals, 1st place awards and have performed in renowned performance venues. The Music program is an integral part of the North Smithfield Community and students with all different backgrounds and experience are involved.

Students choosing to follow this pathway will be exposed to a variety of courses related to music, performance and technical applications.

Careers in the music field can span from becoming and professional opera singer, conductor, jazz musician, teacher, sound-engineer. A base knowledge of music can be applied to the business field, travel industry field, and many more. Students involved with this pathway will be given the opportunity to learn from professionals in the field as part of in school clinics and out of school workshops.

Pathway Recommendations

Students interested in pursuing a pathway in this area should meet with their guidance counselor to select the best sequence of courses that will satisfy the North Smith-field High School graduation requirements and at the same time, meet the criteria to receive a seal of concentration in Music.

Students will also develop an Music related focus which will culminate in field experience for the required senior project.

Students in a music pathway may also be able to pursue another pathway at the same time.
